

# M6 Stage 1

**Construction of sewer connection at  
Brighton Memorial Playing Fields,  
Brighton-Le-Sands from Monday 15 February**

We are continuing with our work to build your new and upgraded community recreational facilities as part of the M6 Stage 1 project.

From Monday 15 February we will connect the sewer pipes for the new amenities building at Brighton Memorial Playing Fields, to the existing sewer main.

## What does our work involve?

Our work involves excavating the ground to connect the new sewer pipes from the amenities building to the existing sewer pipe on Sybil Lane.

We will use excavators and light vehicles to complete this work.

## Our work schedule

This work will take up to five consecutive days to complete, between Monday 15 February and Saturday 27 February, weather permitting.

Our work hours are:

- **7am to 6pm, Monday to Friday**
- **8am to 1pm Saturday**

## How will our work affect you?

During this work Sybil Lane will be unable to be accessed to or from Crawford Road, as shown in the map over the page. This temporary closure will be in place 24 hours a day until the work has been completed.

Local access to Sybil Lane will be maintained via O'Neill Street. Affected residents will be door knocked to confirm the date the work will start.

Please keep to speed limits, follow signs and traffic controllers directions.

Thank you for your patience while we carry out this important work.

## Supporting our community

Currently infrastructure construction projects are considered essential to the economy and will continue as planned across the city and the state.

The M6 Stage 1 project will deliver 5,300 jobs and support the local economy.

The safety and wellbeing of our workforce and the wider community is our highest priority. Our people are following hygiene and appropriate social distancing measures and will continue to do so.

## Location of work

## Contact our team

Our team will continue to keep you updated during construction of the recreational facilities and the M6 Stage 1.

If you would like to learn more about our project please contact us.
