

## Heritage site investigation work on Hebe Farm at 14 Bridge Street, Riverstone from 8 November

November 2021

Transport for NSW is continuing work on the North West Growth Centre Road Network Strategy by continuing planning for Denmark Link Road.

Denmark Link Road is a proposed new link road between Garfield Road West, Riverstone and Westminster Street Bridge, Schofields.

Transport will carry out archaeological investigation work on Hebe Farm at 14 Bridge Street, Riverstone. This work will involve machinery to dig two test pits to see whether there are any archaeological remains associated with the development and occupation of Hebe Farm.

Hebe Farm is an item of local heritage significance. All work carried out will be in line with the Heritage NSW Act. The results of the investigation will help inform the Denmark Link Road project.

The safety and wellbeing of our workforce and the wider community is our highest priority. This work is in line with the Public Health Order. A COVID-Safe plan is in place including masks and QR codes.

Should COVID-19 restrictions impact the timing of our work, the community will be notified.

## Our work schedule

We will be on site for six day shifts between Monday 8 November and Friday 19 November, weather permitting.

Our work hours will be:

- Monday to Friday: 7am to 5pm

## How will the work affect you?

The investigation work will be carried out within the road reserve or on private property along the road corridors. There may be some noise associated with this work, but every effort will be made to lessen the disturbance to residents.

## Contact us

If you have any questions, please contact the project team on **1300 367 561** or **nwga@rms.nsw.gov.au**. We encourage you to sign up to receive future updates on the project by calling us or sending an email.
