

# Night works on Garfield Road West from Monday 14 November

## Community update | October 2022

The Denmark Link Road upgrade project has moved into construction with the start of early works in September.

The project includes constructing the missing local road connections between Garfield Road West, Riverstone and Bridge Street, Schofields.

Transport for NSW has engaged Ausconnex to carry out early works which started in September. Work includes preparing the project area for roadworks by clearing vegetation and upgrading the existing street light network by installing new street lights.

### Our work schedule

Work started on 7 September and will continue until Friday 16 December, weather permitting. Our daytime work hours are 7am to 6pm Monday to Friday.

In addition to this, we will work three night shifts between Monday 14 November and Wednesday 16 November. Our night work hours are 7pm to 5am.

### How will the work affect you?

We will need to carry out some of the work at night to reduce traffic disruption. Our work may be noisy at times, but we will do everything we can to lessen the disturbance on surrounding residents and businesses. Any high noise works such as vegetation clearing will be undertaken during the permitted day work hours.

### Traffic changes

The night work will take place within the road reserve. There will be temporary traffic changes during our work hours to ensure the work zone is safe. Please keep to speed limits and follow signs and traffic controllers' directions. Access to residential properties will always be maintained.

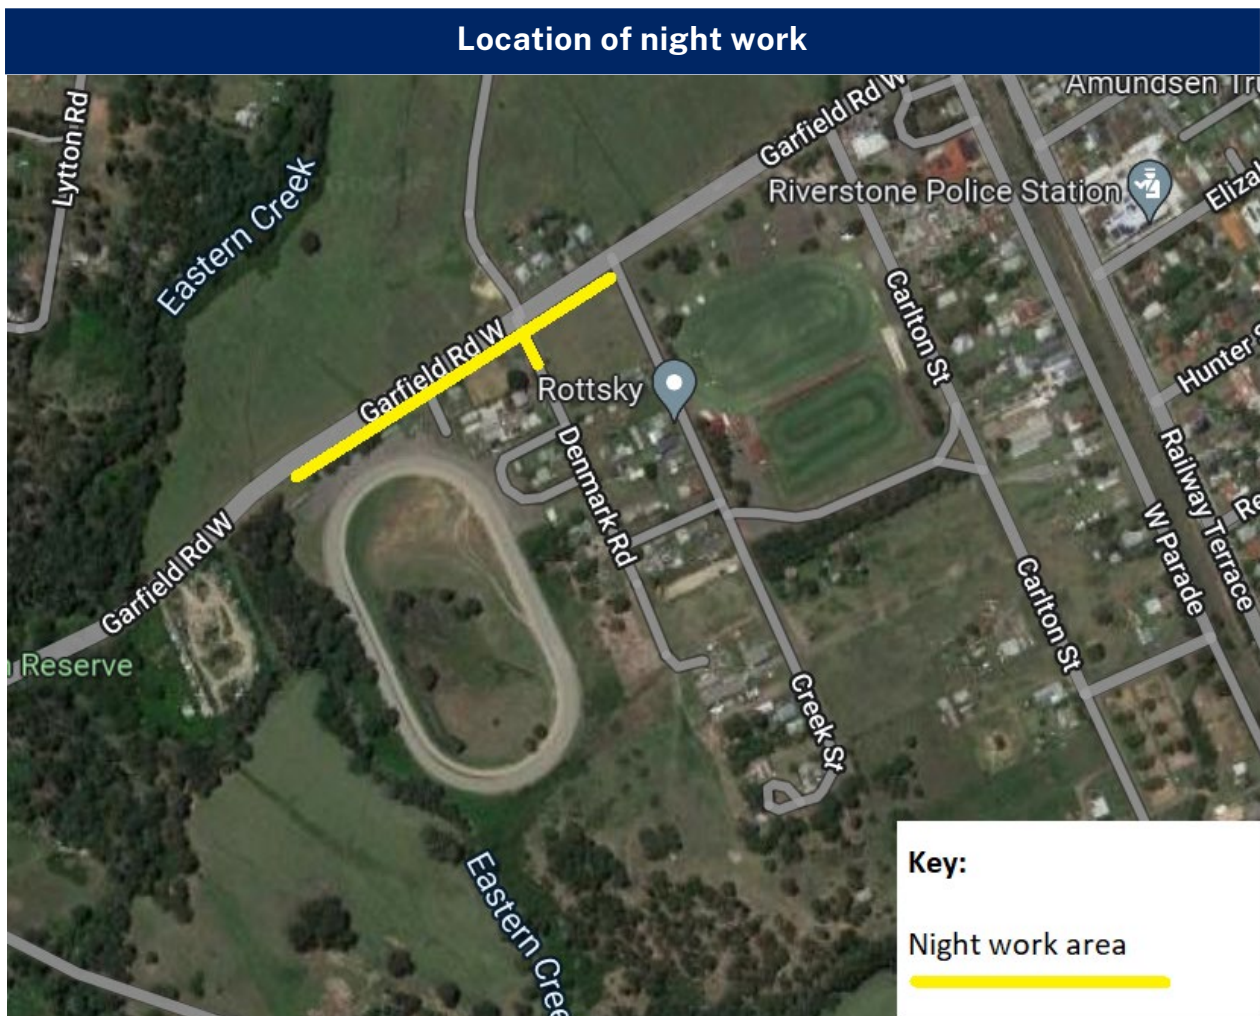

For the latest traffic updates, you can call 132 701, visit [livetraffic.com](https://www.livetraffic.com) or download the Live Traffic NSW App.

Thank you for your patience during this important work.

### Contact

If you have any questions please contact, Timothy Street, Project Manager from our delivery partner, Ausconnex on M: 0400 424 589 or E: [tim.street@ausconnex.com.au](mailto:tim.street@ausconnex.com.au).

If you would like to receive further information or project updates, you can **join our distribution list** simply call 1300 367 561 or email us on [nwga@rms.nsw.gov.au](mailto:nwga@rms.nsw.gov.au).
