

Transport Access Program

Blacktown Station Upgrade

COMMUNITY NOTIFICATION

JANUARY 2018

The Transport Access Program is a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure. Key benefits of the Blacktown Station Upgrade include:

- a new pedestrian footbridge connecting the Richmond Line concourse with the main concourse
- a new lift and stairs connecting Platform 3 with the new footbridge
- new stairs and weather protection canopies to platforms 1 and 2.

Works for the new pedestrian footbridge connecting the Richmond Line concourse with the main concourse area are progressing well, with the footbridge, lift, stairs and other facilities expected to be open to commuters in the coming weeks.

Construction work in progress for the new footbridge – December 2017

For more information call **1800 684 490**,
Email projects@transport.nsw.gov.au or visit transport.nsw.gov.au/projects
For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**

Upcoming construction activities

Over the coming weeks, you may notice the following activities on site:

- finalising the installation of structural steel, roof sheeting and gutters to the new footbridge
- upgrading of curbs and gutters within the bus terminal
- form work for traffic barriers within the bus terminal
- installation of mesh screens along the footbridge
- installation of cable trays and electrical services
- fit out for the lifts on platforms 1/2 and 3
- installation of wayfinding signage
- concrete works.

Night works

To minimise disruption to passengers, some work activities will be undertaken at night including the fit out and installation of mesh screens to the new footbridge and upgrades to curbs and gutters within the bus terminal. These activities will be carried out during the following periods:

- **Wednesday 3 January to Friday 5 January 2018 from 8pm to 6am each night**
- **Monday 8 January to Friday 12 January 2018 from 8pm to 6am each night**
- **Monday 15 January to Friday 19 January 2018 from 8pm to 6am each night.**

During these works the **George Street T-way** leading to the roundabout will be **CLOSED** between **8pm to 5am**. Diversion routes will be in place and buses will access the Blacktown bus interchange via Third Avenue. The following changes to bus services will be in effect:

- **Stand L bus services 611 and 630 will be relocated to Stand H**
- **Stand K bus services 705 and 711 will be relocated to Stand H**
- **CDC Hillsbus services 705 and 711 will be temporarily suspended from Devitt and Sackville T-way bus stops.** To access services 705 and 711, please use the bus stop at **Sackville Street before Peter Street.**

These activities have been planned to minimise noise and limit the impact on local residents. Signage will be installed to notify users of these changes.

What equipment will be used?

The following equipment will be used during construction:

- power and hand tools
- compactors
- generators
- elevated work platforms
- rattle guns
- construction vehicles
- excavators
- forklifts
- jackhammers
- grinders
- light towers

Some of the works may be noisy. Every effort will be made to minimise the impact to commuters, nearby residents and businesses. Where required, traffic controllers will be on site to facilitate safe pedestrian and vehicle movements.

Construction hours

All other work will continue to be carried out during standard construction hours which are **7am to 6pm Monday to Friday and 8am to 1pm Saturday**. The community will be notified of any works outside of these hours prior to the works commencing. We apologise for any inconvenience caused and thank you for your cooperation during these important works.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on 131 450 and ask them to call Transport for NSW on (02) 9200 0200. The interpreter will then assist you with translation.
