

# Transport Access Program

## Blacktown Station Upgrade

**OUT OF HOURS WORK NOTIFICATION**

**JANUARY 2018**

The Transport Access Program is a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure.

Construction work in progress for the new footbridge – January 2018

### **New facilities opening soon**

Works are continuing for the Blacktown Station Upgrade with new facilities opening to the community within the coming weeks. Facilities will include:

- new pedestrian footbridge connecting the Richmond Line concourse with the main concourse
- new lift and stairs connecting Platform 3 to the new footbridge
- new stairs and upgraded lift on platforms 1 and 2.

For more information call **1800 684 490**,  
Email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au) or visit [transport.nsw.gov.au/projects](http://transport.nsw.gov.au/projects)  
For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**

## **Weekend work – Saturday 20 January to Sunday 21 January 2018**

- From 6am Saturday 20 January to 6pm Sunday 21 January 2018, works are planned during a Sydney Trains scheduled track work weekend (for information regarding rail services during the weekend works, kindly contact the Transport Infoline on 131 500).

Work activities will include external and internal finishing works to the new concourse, resurfacing on platforms 3 and 4, reinstallation of an artwork panel on the main concourse, installation of wayfinding signage and fit out to male toilets on the main concourse.

**There will be partial closure of the car park on Boys Avenue from 5pm Friday 19 January to 6pm Sunday 21 January 2018 to assist with these works. This will mean the loss of approximately 30 parking spaces. Traffic controllers will be on duty to assist with vehicle movements.**

## **Night works**

To minimise disruption to passengers, some work activities will be undertaken at night including external and internal finishing works to the new concourse, stairs and lifts to platforms 1, 2 and 3 and gutters within the bus terminal. These activities will be carried out during the following periods:

- **Monday 22 January to Wednesday 24 January from 6pm to 7am each night.**

During this period, the **George Street T-way** leading to the roundabout will be **CLOSED** between **6pm to 5am each night**. Diversion routes will be in place and buses will access the Blacktown bus interchange via Third Avenue. The following changes to bus services will be in effect:

- **Stand L bus services 611 and 630 will be relocated to Stand H**
- **Stand K bus services 705 and 711 will be relocated to Stand H**
- **CDC Hillsbus services 705 and 711 will be temporarily suspended from Devitt and Sackville T-way bus stops.** To access services 705 and 711, please use the bus stop at **Sackville Street before Peter Street.**

These activities have been planned to minimise noise and limit the impact on local residents. Signage will be installed to notify users of these changes.

## What equipment will be used?

The following equipment will be used during construction:

- power and hand tools
- elevated work platforms
- excavators
- grinders
- compactor
- rattle guns
- forklifts
- light towers
- generators
- construction vehicles
- jackhammers

Some of the works may be noisy. Every effort will be made to minimise the impact to commuters, nearby residents and businesses. Where required, traffic controllers will be on site to facilitate safe pedestrian and vehicle movements.

## Construction hours

All other work will continue to be carried out during standard construction hours which are **7am to 6pm Monday to Friday and 8am to 1pm Saturday**. The community will be notified of any works outside of these hours prior to the works commencing. We apologise for any inconvenience caused and thank you for your cooperation during these important works.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on 131 450 and ask them to call Transport for NSW on (02) 9200 0200. The interpreter will then assist you with translation.
