

# Transport Access Program

## Hazelbrook Station Upgrade

**Community Notification**

**October 2019**

### Project update

The Hazelbrook Station Upgrade is part of the Transport Access Program, a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure.

Work completed in September included:

- installation of platform drainage
- ongoing electrical cabling work in the station
- installation of brick cladding on the lift face
- installation of platform light pole
- asphalt regrading work on platform 1 and 2
- temporary tactile installation
- commencement of carpark, footpath and road crossing work
- commencement of construction on Family Accessible Toilet (FAT) canopy
- delivery of lift components.

### Work planned for October

During October, work will continue on:

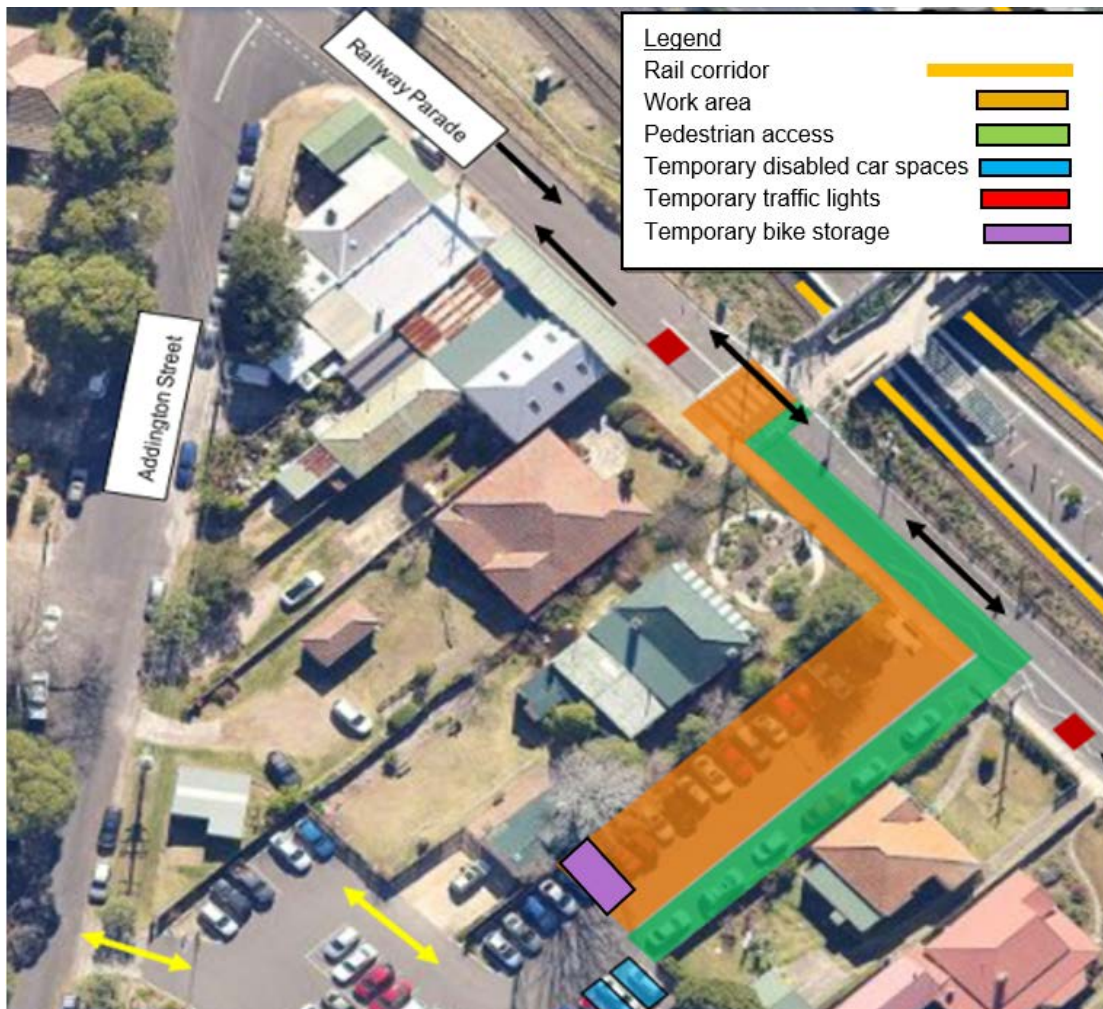

- upgrading two accessible parking spaces in the council commuter car park on Railway Parade
- replacement of footpath between the car park and the pedestrian crossing on Railway Parade
- replacement of pedestrian crossing on Railway Parade
- installation of cabling for CCTV
- completion of the FAT
- commencement of construction work on the ambulant toilet
- commencement of installation of internal lift components
- commencement of installation of footbridge safety screens
- ongoing electrical cabling work in the station.

### Changes to parking spaces

To allow for construction of new accessible parking spaces in the council commuter car park, up to 20 parking spaces will remain unavailable until mid-November 2019.

Access to the car park will remain open via Addington Street. Please refer to the map overleaf.

## Commuter parking and pedestrian changes in Hazelbrook

### Standard working hours

Standard work hours are between **7am to 6pm, Monday to Friday and 8am to 1pm Saturdays**. We will continue to inform the community ahead of any activities outside of standard work hours. We understand upgrades to the station can bring some inconvenience during construction and thank you for your patience during this time.
