

Transport Access Program

Glenbrook Station Upgrade

Community Notification

March 2019

Project update

Work is progressing well at Glenbrook Station, with the relocation of electrical services and excavation of the lift pit undertaken in February.

In March the upgrade will continue and include:

- the installation of electrical services
- construction of the lift pit
- concreting the new walkway on Burfitt Parade.

Equipment to be used during this time includes:

- construction vehicles, including concrete and delivery trucks
- hand tools.

Mosaic update

The mosaics on Burfitt Parade have been temporarily removed for their protection.

You may notice work on the footpath that fills in the mosaics space. This is a temporary change to allow for safe and regular use of the footpath.

They will be reinstalled when work is no longer being undertaken in their location.

Standard working hours

Standard work hours are between **7am to 6pm, Monday to Friday** and **8am to 1pm Saturdays**.

We will continue to inform the community ahead of any works outside of standard work hours.

We thank you for your patience and apologise for any inconvenience while we undertake these important works.
