

# Transport Access Program

## Hawkesbury River Station Upgrade

### Project update

**December 2019**

The NSW Government is improving accessibility at Hawkesbury River Station. This upgrade will be delivered as part of the Transport Access Program, an initiative to provide a better experience for public transport customers by delivering modern, safe and accessible infrastructure.

Early work commenced in November 2019 and construction is expected to be completed by early 2021. Transport for NSW has engaged Haslin Constructions to deliver this work on its behalf.

### Project overview

The Hawkesbury River Station Upgrade aims to provide a station precinct that is accessible to people with a disability, limited mobility, parents with prams and customers with luggage.

Key features of the upgrade include:

- two new lifts to provide access to the station platforms
- a new accessible parking space and kiss and ride space
- a new accessible pathway and pedestrian crossing to the Dangar Road car park
- a new family accessible toilet and two ambulant toilets
- improvements to CCTV and lighting to increase safety and security.

### Key activities

Work scheduled to take place in **December 2019** includes:

- toilet block modifications
- establishment of the site compound
- relocation of the existing station power supply
- relocation of existing services on the station platforms
- survey work and delivery of materials.

Equipment to be used during this work includes, hand tools, generators, power tools, medium and large delivery size vehicles.

Work will take place during standard construction hours from **7am to 6pm Mondays to Fridays and Saturdays 8am to 1pm.**

## Establishment of site compound

During December, two temporary site compounds will be established on the eastern side of the station house to accommodate a site office and staff amenities. A laydown and storage area for construction materials will also be established to the west of the station house. Approximately 12 car spaces will be temporarily removed in the Brooklyn commuter car park and will remain unavailable until early 2021.
