

Transport Access Program

Hazelbrook Station Upgrade

Community Notification

August 2019

Project update

During July, NAIDOC celebrations were held at Hazelbrook Station, with morning and afternoon tea shared which included jams and preserves made from native Australian ingredients such as Quandong fruit and Lily Pilli with damper.

Work completed in July includes:

- pouring of concrete slab in the family accessible toilet
- removal of construction materials from the work areas on the platform
- installation of the electrical cabling in the station

Work planned for August

During August, work will continue on:

- the new lift to provide access to the station platform
- car park asphaltting and upgrading of two accessible parking spaces in the council car park on Railway Parade
- replacement of the footpath between the council car park and the pedestrian crossing on Railway Parade
- replacement of the pedestrian crossing on Railway Parade
- improving amenities in the family accessible toilet
- upgrades to CCTV and wayfinding signage
- progressing electrical and communication services on the station platforms

Changes to parking spaces

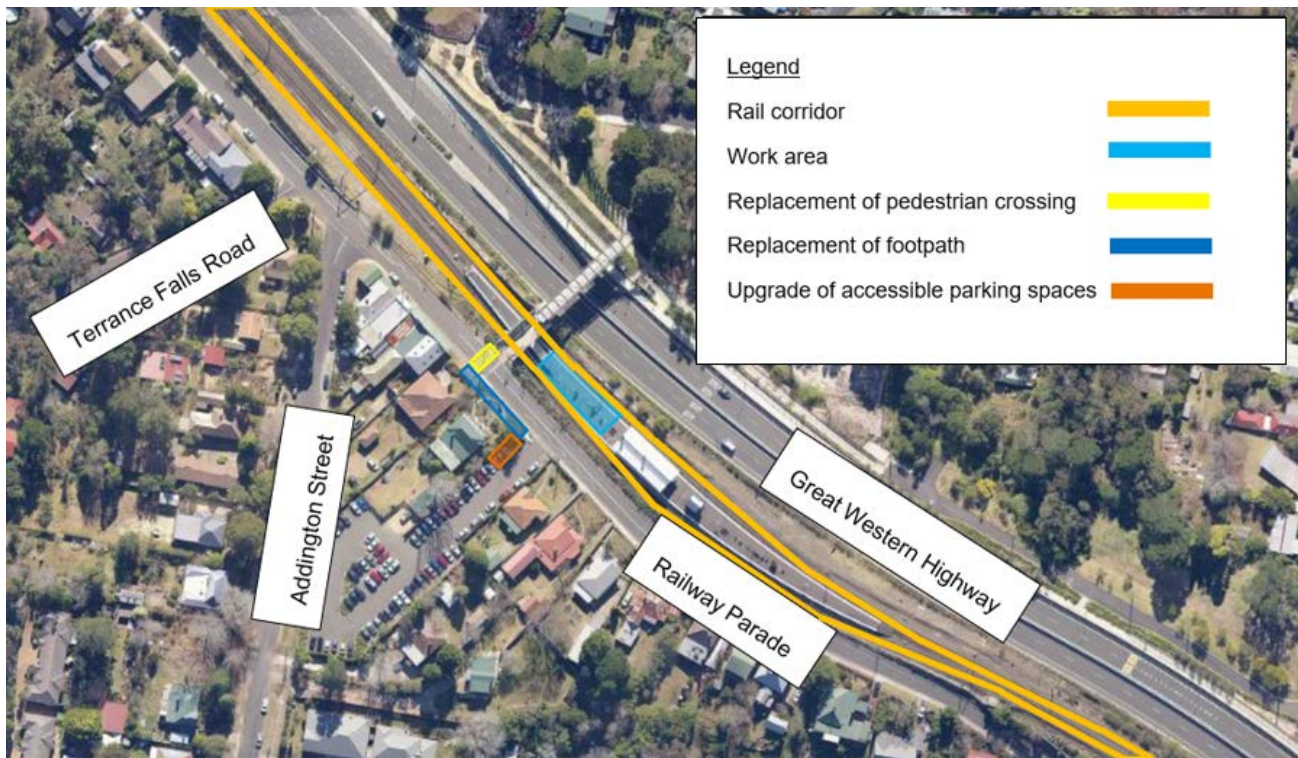

From August until end of October 2019 some parking spaces will be temporarily unavailable in the council car park to allow for the construction of two accessible parking spaces. Access to the council car park will remain open during this time via Addington Street. Please refer to the map on the overleaf.
