### What equipment will be used?

The equipment that will be used will include generators, temporary lighting, cranes, mobile lifts, excavators, concrete pumps, heavy and light vehicles, air compressor, and power and hand tools.

Some of this work may be noisy and every effort will be made to minimise the impact to commuters, nearby residents and businesses.

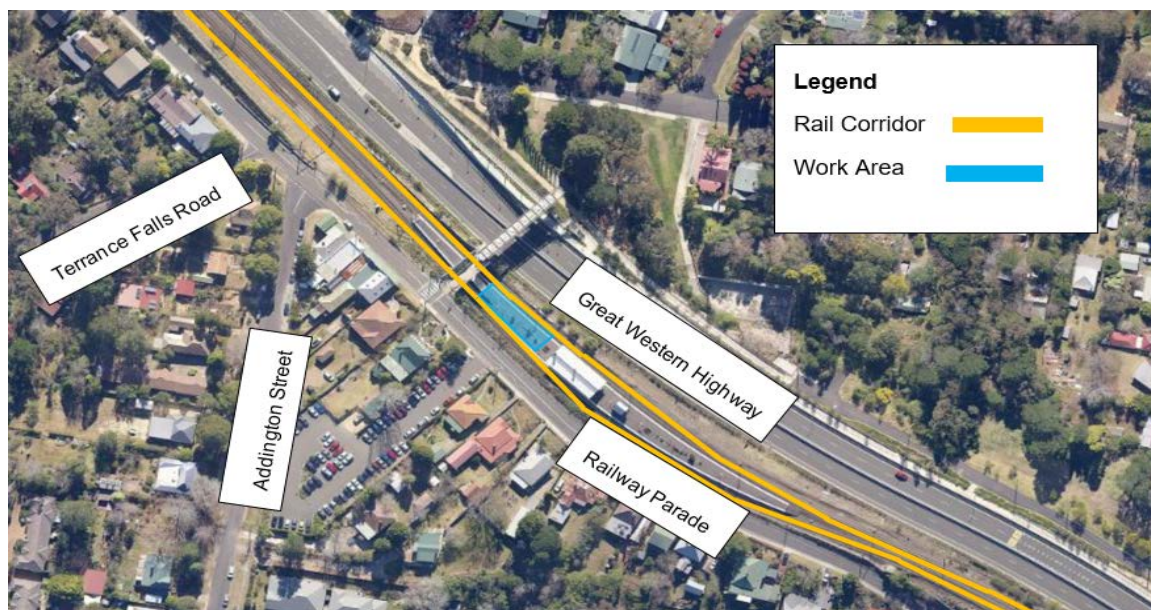

## Night work – Wednesday 10 and Thursday 11 July

From **10pm to 4:30am on Wednesday 10 and Thursday 11 July 2019** removal of materials will occur between the site compound on Railway Parade and the station platforms.

To ensure the safety of our customers, the community and staff, this work will be completed during night time.

The map below reflects the area in which work will be conducted.
