

Transport Access Program

Lapstone Station Upgrade

Have your say

The NSW Government is improving accessibility at Lapstone Station

Have your say on the proposed improvements to Lapstone Station. Key features include:

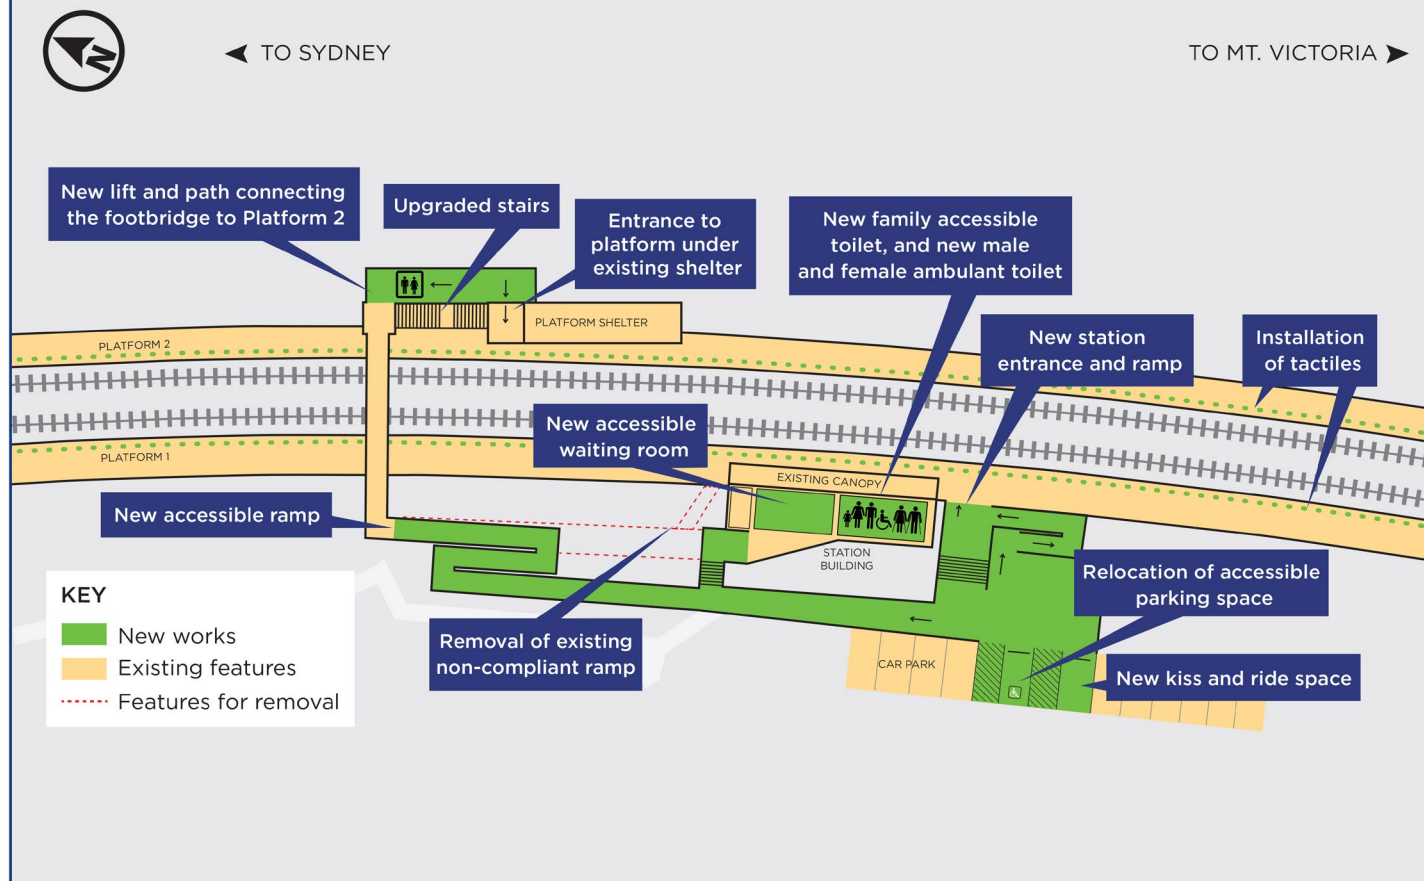

- a new lift connecting the footbridge to Platform 2
- one new family accessible toilet, one new male ambulant toilet and one new female ambulant toilet
- upgrades to the accessible car spaces and a new kiss and ride bay
- upgrades to the ramp from the commuter car park to the station footbridge
- a new station entrance to Platform 1
- accessibility upgrades to platform waiting room
- upgrades to station pathways, stairs and platforms
- upgrades to CCTV, lighting and signage.

Transport Access Program

This project is being delivered as part of the Transport Access Program, a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, secure and integrated transport infrastructure. As part of this program, the Lapstone Station Upgrade would provide a station precinct that is accessible to people with a disability, limited mobility, parents/carers with prams and customers with luggage.

Email projects@transport.nsw.gov.au
or visit www.transport.nsw.gov.au/lapstone

Key features of the proposal

Have your say

A Review of Environmental Factors (REF) is on public display for community feedback between **Monday 4 November and Monday 18 November 2019**.

To view the REF, please scan the QR code or visit:

- www.transport.nsw.gov.au/lapstone
- **Lapstone Station**
Platform 1 Waiting Room
- **Blaxland Library**
33 Hope Street, Blaxland
- **Transport for NSW Office**
Level 5, Tower A, Zenith Centre,
821 Pacific Highway, Chatswood

Feedback may be sent to:

- projects@transport.nsw.gov.au
- **Transport Access Program - Lapstone**
Associate Director, Environmental Impact Assessment
Transport for NSW
Locked Bag 6501
St Leonards NSW 2065

Please provide your feedback by
5pm Monday 18 November 2019.

Your feedback will help Transport for NSW understand what is important to customers and the community.

Come and meet the project team

Between **4pm and 6pm on Tuesday 12 November**, representatives from the Transport for NSW project team will be located at Lapstone Station, in the Waiting Room off Platform 1, to answer any questions you may have on the project.

If you are unable to attend, but would like to speak with the project team please call **1800 684 490** or email projects@transport.nsw.gov.au.

Visit www.transport.nsw.gov.au/lapstone for more information.

Review of Environmental Factors

The Review of Environmental Factors is a planning document outlining the proposed work, potential impacts and mitigation measures. The document includes comprehensive assessments on the existing environment and expected impacts of the project including traffic and transport, biodiversity, visual impact, noise and vibration, heritage, and how they will be managed.

Artist's impression of the new station entrance to Platform 1, subject to detailed design

Next steps

Transport for NSW develops an initial design concept for the project and invites feedback.

We are
here

Transport for NSW prepares a Review of Environmental Factors for public display and invites submissions.

Transport for NSW assesses and responds to feedback and prepares a submissions report/determination report with proposed conditions to minimise environmental impacts.

Transport for NSW determines the Proposal.
Conditions of Approval made available on Transport for NSW website.

Construction commences subject to compliance with conditions.
Subject to planning approval, construction is expected to commence mid-2020 and take between 12-18 months to complete.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **(02) 9200 0200**. The interpreter will then assist you with translation.
